<b>Waiver and release</b>			
<p>I have read the Notice of Race issued for the International week and the Fireball World Championship 2011 and agree to be bound by the rules and regulations therein, and in the Sailing Instructions or in any Addenda to either document. I recognize the inherent and other risks in yacht racing activities and freely accept these risks. If my vessel will not be equipped with optional or recommended safety equipment, I have made an informed and conscious decision not to so equip my vessel. In consideration for participating in this event, I represent to SYC and Fireball International that my vessel has liability insurance in effect for the regatta covering property damage, personal injury and death in an amount not less than 1,000,000 GBP-per occurrence and that the policy covers yacht racing activities. I agree to waive my rights to take legal action against and release and forever discharge SYC, Fireball International and their respective organizers, agents, officials, servants and representatives (collectively the "Organizers") from and against any and all claims, actions, costs or expenses and demands in respect to death, injury, loss or damage to my person or property howsoever caused, arising out of or connected with my participation in the International Week and the Fireball World Championship 2011 notwithstanding that the same may have been contributed to, caused or occasioned by the negligence of the organizers or any of them. I understand that this waiver and release is binding upon myself, my heirs, executors and assigns.</p>
